MILWAUKEE:

TUESDAY::::::::::::::::SEPTEMBER 26.

REPUBLICAN TICKET.

FOR CONGRESS—FIRST DISTRICT:
WYMAN SPOONER, of Walworth.
SECOND DISTRICT:
C. C. WASHBURNE, of Iowa.
THIRD DISTRICT:
CHAS. BILLINGHURST, of Dodge.

ELECTION, - TUESDAY, NOV. 7.

The Free Democrat, of Milwaukee, displays its *animus* towards Racine, by copying from the Kenosha Telegraph a ridiculous and unjust comparison of the products of Kenosha and Racine counties, pretended to be taken from the notoriously unreliable census of 1850—a census which neither the Telegraph nor the Free Democrat has any confidence in, in any other matter. "Straws tell," &c.—*Racine Advocate.*

We have confidence in the census returns in many respects, and we copied the article in good faith from the *Telegraph.* We have seen no evidence that it is not true. We have never said a disparaging thing of Racine. And, in our judgment, the most unfortunate thing for any city is to have a press which endeavors to stir up enmity between its citizens and the press of other cities.

The Whigs have nominated A. Z. McCarty for Congress, for the long term, in Gerrit Smith's District. The Free Democrats do not like the Resolutions nor the way the Fugitive Slave Act Resolution was kicked out of the Whig State Convention.

RESPONDING.—The editor of the Oshkosh Democrat, after returning from the Convention which nominated Mr. Billinghurst, said:

We have not time to say more now, than that we shall support Mr. Billinghurst, earnestly and zealously, because we believe him to be a man of irreproachable moral character, possessing sufficient experience and ability to do honor to the District, in Congress, and although he was not our first choice, because he did not sooner identify himself with the movement, yet he did *from the first endorse our principles,* and has now pledged himself to labor with the Republicans, to carry them out, and we believe will faithfully redeem his pledges.

THE Jeffersonian has turned a somerset again and once more comes out for Hood. It must be with a feeling sense of its truth, that the editor writes the following confession:

We are but a novice in politics, and almost regret that we ever embarked as a newspaper publisher, for we have seen enough in our short career to disgust us, even in the village of Jefferson, by those who have, until recently had the people around us in leading-strings—and maturing their plans in regard to our elections to suit their own selfish purposes.

MOB VIOLENCE OF SLAVERY.—The Sentinel, in speaking of the decision of Justice Treat of Illinois, in the recent slave case, says:

"If the Fugitive Slave Law really authorizes men to come into our northern cities in broad day, seize the first man whom they please to claim, shackle him, start for Texas or elsewhere, and if the victim resists, to shoot him down, why, that law stands an excellent chance of being respected, and those who try it on will be likely to meet with such marks of respect as they may remember for some time."

Judge Miller, in the case of Garland, decided that it was natural for the Slave to resist—that he would not be a man if he did not, and that the master had a right to seize him without warrant wherever he could find him, and use any amount of force necessary to reduce him to subjection. If the slave resisted unto death, of course, he had a right to kill him.

A NEW STATE.—The Albany Evening Journal says that the terms of treaty for the annexation of the Sandwich Islands are, that they are to come in as a State, the U. States to respect all existing charters and titles, &c., to have the Government buildings, worth $1,500,000, the claims on the French and British Governments, a half a million more, and to pay the king, his sons and nobles, about 30 in all, life annuities, amounting to $250,000 or $300,000 annually.

WHO ARE ABOLITIONISTS?—Says the Rev. Dr. Bacon, of New Haven:

"The recently enacted law of the Nation of the Choctaws, prohibiting Missionaries of the American Board, and all others from teaching slaves or the children of slaves to read and providing for the banishment of all 'Abolitionists,' declares that an 'Abolitionist' is '*one who teaches a Negro or Slave to read, write or sing, or who sits at meat with him.*'"

That is statutory—a *legal* decision—and of course, conclusive.

Abolitionists are now defined by law.

A SLAVEHOLDER FOR GOVERNOR OF A FREE STATE.—The Detroit Tribune says it has received positive and direct information, which convinces it that Mr. Barry, Hunker candidate for Governor of Michigan, actually owns a negro plantation in Louisiana.

PLATTEVILLE AMERICAN.—The last number of this paper contains the valedictory of its editor, Mr. Marsh, who has controlled its columns for the past eight years. He lays down the "quill and scissors" for good.

He now asks the voters of Grant to elect him County Treasurer.

THE Free Press is anxious to ascertain if there is a man in Janesville, who desires to see Dr. Hoyt elected to Congress, said man holding and seeking no appointment under the general government.

HARVEY GRANT, of the town of Green Lake, is the nominee, for Assembly, of the Republicans of the Eastern District of Marquette Co.

PERRY H. SMITH is the Democratic nominee for the Assembly, in the District comprising Oconto, Outagamie, Waupaca and Shawano Counties.

Full Returns from Maine.—Returns from all the towns in Maine, show that Morrill lacks 900 votes of being elected by the people.

JOHN THOMAS, of Crawford County, is the Republican candidate for the Assembly, and James Fisher the Democratic candidate.

RECIPROCITY TREATY CONFIRMED.—The Reciprocity Treaty was confirmed by the Provincial Parliament on Wednesday.

Election Returns from Ninth Judicial Circuit.

Not enough is yet known to enable us to determine with confidence the result of the election, but from the vote in Palmyra, we should infer that Collins is elected. But from the lightness of the vote nothing with certainty can be predicted. We give such gleaning as we get:

Madison—2 maj. for Hood.
Verona—21 " " "
Burke—18 " " "
Middleton—tie.

Fitchburg, Dane and Westford for Collins, but majority not stated.

Blooming Grove—27 maj. for Collins.
Oregon—large majority for Collins
Palmyra—124 for Collins, and 9 for Hood!

LATER.—We get the following additional returns from Jefferson Co., from Sheriff Kellogg, of said county:

Jefferson—17 maj. for Hood.
Koshkonong—108 maj. for Collins.
Watertown—Reported maj. 279 for Collins.

Aztalan and Farmington are reported to have given majorities for Collins.

It is thought that Collins will have a majority of 400 in Jefferson Co. We judge from what returns we have received that Collins is elected by a handsome majority.

FINANCES OF NEW YORK CITY.—We compile from the N. Y. Tribune:

The City Government expenses, for the last half of 1853 were $1,582,987 89; for the first half of 1854, $2,123,605 99—total, $3,706,593 88. The increase was entailed by the old Common Council. They increased the Police expenses more than $200,000 per year; Repairs and supplies very largely; lamps and gas $65,000; there was an addition of $50,000 for the Alms-House, and about $80,000 for Street. Of street expenses, there were paid for Russ pavement, $120,985; Belgian pavement, $35,164; repairing pavements, $92,202. $6,436,696 has passed through the Treasury for the year. Of this, $3,300,000 was paid on revenue and assessment bonds; $356,846 to the State school fund—being $75,000 more than they receive; and they raise for their schools an additional sum of $687,000.

For opening streets $1,300,000 have been paid. For cleaning streets $231,618. For lighting do. $283,000.

DEKORRA.—The Portage City Badger State speaks in glowing terms of this village. It says, "the site of the village is one of the handsomest on the Wisconsin river. The land is high and rolling, and the view from the open piazza of the Badger Hotel is highly picturesque. The majestic river, some eighty rods wide, sweeps with a rapid current within a few rods of the door. The opposite bank, fringed with a heavy growth of noble forest trees to the water's edge rises in gentle undulations to the open prairie in the back ground, embracing the hills and valleys of the rich agricultural township of Caledonia, the name sufficiently indicating it as the home of some of Scotia's sons, whose shrewd sense, industry and thrift are proverbial thro'out the world, and is here exhibited in the fine farms, good stock and rich products of the soil."

REPUDIATING *the State Administration.*—The Appleton Crescent has finally formally repudiated the State Administration. It comes down upon it with a whole column of charges of trickery, dishonesty and corruption. It closes with the following prophetic warning:

"If the Democratic party does not rid itself of the load which the official delinquencies of the Administration, that is unwittingly elected, has imposed, it has elected its Governor for the last time for years to come, and brought defeat to its candidates in the Legislative and Congressional Districts of the State."

New Editor.—Isaac H. Julian, brother of Hon. Geo. W. Julian, has taken charge of the Fort Wayne Standard. Mr. Julian is a good writer and a thorough Free Democrat.—*Indianapolis Free Dem.*

It will gratify a great many persons in Tuscarawas Co., to learn that Judge Wyman Spooner, formerly a lawyer of Canal Dover, is now the Republican candidate in the 1st (Milwaukee) District. Mr. Spooner left the Tuscarawas valley some 13 years ago. He was then a man of much promise, and exceedingly popular. His friends predicted at the time, that he would be in Congress sooner or later. His election is morally certain.—*Cleveland Leader.*

M. Bekendorff waited personally on Prince Charles of Prussia, an avowed partizan of Russia, to whom he was charged with a letter from the Czar.

The Swedish Diet has demaned that the Aland Islands be taken by Sweden.

CHOLERA AT PITTSBURGH.—The number of deaths from this disease, at Pittsburgh, for the 36 hours ending at noon on the 22d inst., was 96; from 6 o'clock P. M. on the 21st inst. to 6 o'clock P. M. on the 22d inst. 60 deaths occurred. Total number of deaths since the disease first broke out (8 days) is 500. At last accounts the epidemic was still prevailing to a fearful extent, without any indication of abatement.

GOV. BURT of Nebraska, passed through St. Louis *en route* for Nebraska, last week. Gov. Reeder of Kansas is also on his way to his new place of destination. He left Eaton, Penn., on the 22d inst. Ft. Leavenworth will be the seat of Government in Kansas for the present.

FIRES IN CALIFORNIA.—A steamer arrived at New York from California, on the 25th inst., with news that destructive fires had occurred at San Francisco, St. Louis and Moquelumne Hill—Loss $500,000.

IT is said that Mr. Buchanan will return from London next year, giving up his post there, and be put on the Presidential course by his friends.

A Fugitive Slave.

BOSTON, Sept. 21.—The *Bath (Me.) Mirror* of September 20, states that there has been some excitement in that city relative to a fugitive slave on board the Bark Franklin at that port from Jacksonville.

The Franklin put into Holmes's Hole on the 19th and notified the Customs that he had a fugitive slave on board. The authorities at Jacksonville were notified by telegraph, and the authorities at Washington also: whereupon the revenue cutter Caleb Cushing appeared at Bath Harbor, and remained there until Tuesday morning. She disappeared soon afterwards, when the Franklin passed up the river.

The crew of the Franklin state that the slave escaped while the vessel was lying at anchor at Holmes's Hole.

When the Franklin arrived at the port of Bath, twelve citizens, including a member of the Boston Vigilance Committee, boarded her, determined to have the slave at all hazards, but he was not to be found.

At the meeting of the North Baptist Church in this city, to-day a letter from the Twelfth African Church was read, stating that the Church had lost many of its members, who had fled from the city, alarmed at the return of Anthony Burns into bondage.

THE CANDIDATES for Congress in this District are now fairly before the people. The Democratic Convention at Mineral Point, passed strong Nebraska Resolutions, threw Ben C. Eastman overboard, and nominated Dr. Otis Hoyt, of St. Croix Co. Dr. Hoyt is Receiver of the Land Office at Hudson, and is in duty bound to support the administration at Washington.

The Republicans have put in nomination Mr. Washburne of Mineral Point. Dr. Hoyt is a clever fellow, and being a democrat, would have beat Mr. Washburne badly a year ago; but to be a friend and pensioner of the administration *now* is what neither Dr. Hoyt nor any other man can survive in this part of the world. The Doctor may just as well make up his jewels for a voyage up Salt River. The district is strongly democratic, but the people have already stood too much nonsense for their patience.

Mr. Washburne is said to be capable, and honest, and is sure of being elected.—*Prairie du Chien Courier.*

CONGRESS—*Republican Candidate.*—In the Western District, the Republicans have nominated Cadwallader C. Washburne of Mineral Point, one of the most popular men in that party, as their candidate for Congress. We presume he will be elected, as Dr. Hoyt is Nebraska all over.—*Appleton Crescent.*

JOSEPH MILLER.—A stranger, with the above name died last week at the Phoenix Hotel in this village. His residence is not certainly known, but is supposed to have been in southern Wisconsin or northern Illinois, his effects are in the hands of E. Hathaway, Esq., the proprietor of the Phoenix Hotel, who will be happy to render any information in his possession to the relatives of the deceased.—*Prairie du Chien Courier 20th inst.*

THERE are in New York city 216 public schools, with 1,094 teachers.

DURING four days of last week, about eight thousand acres of land were sold at the Chillicothe (Ohio) Land office at twelve and one-half cents per acre, under the provisions of the new law of Congress.

Beer Drinking in St. Louis.

The *St. Louis Republican* announces that the stock of beer in that city is entirely exhausted, and takes occasion to favor its readers with the following figures:

St. Louis has about *twenty-four* breweries, and every one of them had stored nearly twice the quantity of "Ale" for this summer that had been made in any preceding one. As we are informed by one of the largest dealers in this article, the quantity may be safely reckoned at *forty thousand* barrels of *Lager Beer,* and perhaps twenty thousand barrels of common Beer. By an average count, one barrel of thirty gallons gives about three hundred glasses; thus we have about *twelve millions* of glasses of Lager Beer, and about six millions of common Beer, in all, Eighteen Million glasses of Beer drank in St. Louis, from the first of March last up to the 17th of September, the time the Lager Beer gave out. Common Beer is sold at five dollars per barrel, and Lager Beer at seven dollars, that is, at wholesale; this will make the amount received by the brewers for Lager Beer, $280,000, and for common Beer, $100,000,—together, say, $380,000. The retailers, at five cents a glass, took in $600,000 for Lager Beer, and $300,000 for the common article. Just think of it! Nearly a million of dollars (900,000) spent in St. Louis, during one summer, for Beer! And that chiefly among the Germans themselves.

And yet, the resident part of the German population in this city, contribute the smallest ratio to the sick-list, the smallest number of convicts or criminals, and, on the other hand, they are, in general, prospering in health, and wordly goods and happiness.

MARRIAGES AND BIRTHS IN NEW YORK.—The whole number of marriages in New York city, during the year ending on the first of July last, was 6097, or 12,194 persons were married in a population of over half a million. The whole number of births during the year, were 19,223, of which 10,002 were males. Of those that were married 160 only were colored citizens, and of the whole number, 1211 were under 20 years of age, 4669 between 20 and 25; 3419 from 25 to 30; and 1500 from 30 to 35.

An exchange tells a story of a miserable drunkin sot who staggered into a sunday school, and for a few minutes listened very attentively to the questions propounded to the scholars, but being anxious to show his knowledge of scriptur,' he stood up, leaning on the front of the pew with both hands. "Parson B——," said he, "ask me some of them hard ques'shuns."—Uncle Joseph," said the dominie, with a solemn face, in a drawling tone, "don't you know your are in the bonds of sin and the depths of iniquity?" "Yes'ir and in the gall of bitternes too. Ask me another ques'shun?"

"Lost Child."

Since our early years, there has always been a vast meaning in the vocal proclamation of 'Lost Child;' and troops of strange and mournful fancies have been called up by the accompanying bell notes of the City Crier's dismal bass.

We think not so much of the anxious ones at home, wandering and weeping that the child has wandered away, carrying with him many hearts; for the absent stroller will be doubtles soon restored.

There are other and many Lost Children in the great city, for whom no crier maketh utterance, whom no bell, were its reverberations full of thunder, could summon to the deserted household. Those Lost Children are indeed lost; they will not return with the morn of the morrow. The stars shall gleam through the dark tresses of Night, and the Day put on his golden crown countless times, and the lost will not be found.

There are forsaken hearths and forsaken hearts, whose desolation shall never again echo to the music of footsteps strayed into inaudible distance, and of expressed affection now mute for aye.

Lost Children have hidden their forms in the cold earth; they went singing on their way and plucking blossoms, until Death gathered them from the sight and love of the bereaved.

But they are still singing and still culling blossoms—singing the songs of angels, and filling their bosoms with amaranths of blissfullness, in the azure fields of Heaven. And yet those that are left behind have not learned resignation nor the beautiful teaching of faith. They look up to the stars with eyes blinded by tears, and behold not the glory of the Apocalypse recorded in their sheen.

The wrung and riven spirit feels the dismalness of the 'Lost Child' more keenly when some beloved being is dead and yet alive; when destiny has reared a barrier between two dear loves, and made sobs and prayers mere burthens of the wind. The sea of circumstance roars between them, and they will not take the plunge, though they perish on the shore.

There are other Lost Children, cruelly, fatally and desperately lost. Gifted sons that have drained the Circean cup, and taken the demon-goddess to their arms—fair, pure daughters, who have hearkened to the tempter's honied tongue, and fallen in simple innocence through the strong weakness of woman's love.

These, O these are poor Lost Children that it beseemeth Charity to strengthen and Goodness to assist. Their toils were firm and their errors only human.

The City Crier's trade would not serve for them who need no brazen throat to call them back to the abandoned hearth-stone. The low, soft voice of affection and compassion may lead them unto duty here again, and to the lost Children, the amaranth gatherers, hereafter.

Cease thy clanging bell, thou publisher of woe! There are no lost children; they will return to us or we to them, when the stars shine brightest beyond the darkest cloud.—*Cin. Times.*

A little fellow about five years old ran across a street, and in his course ran between the forelegs of a horse, which was rapidly passing along. A man who saw the occurrence, ran and snatched the boy, supposing he was injured in the attempt. But the boy, unhurt, pertly ejaculated—"Let him keep his horse out of my way; what do I care."

Items from the Appleton Crescent.

The Hunt.—A party of thirty of our citizens had a "Backwoods Hunt" on Saturday last. In all, they killed about *one thousand* black and grey squirrels, pigeons, quails, partridges, ducks, &c. Only one deer was killed; and the bear could not be found. In the evening, they partook of a splendid supper at the *Crescent Hotel.* They talk of another hunt soon.

Accident.—Harrison Green, of this village, was badly hurt on Monday. He was driving a heavily loaded team; one of the horses "balked"—he struck him with the whip, and the horses started suddenly, throwing Mr. G. upon the whippletrees, when one of the hooks caught in his leg, lacerating it badly. He was otherwise bruised, but is doing as well as can be expected.

The Weather.—It has been quite cool the present week, with high winds and slight frosts. The frost made its appearance a month earlier than last year.

Bears on the Wolf.—Two men killed *eight* large bears one day this week, near Wolf River. The acorns are more abundant than usual, and so are the bears.

Greenville.—Since last Spring, about 3,000 acres of land has been sold in this town to actual settlers. It is a most beautiful section of country.

Not a single tract of land can now be bought in this town except of "Actual Settlers."

Hortonville.—They talk of having a Flouring Mill at this snug little village. People assure us that the water power is unfailing.

Mr. Leach, of Hortonia, raised 55 bu. of corn on an acre of land, this season.

Thanks, to Edward West, Esq., for a beautiful water melon, of the following dimensions: 3 ft. and 1 inch in circumference, and 1 foot 6¼ inches in diameter.

Large Growth.—A leaf was picked from one of the grape vines in the garden of Theodore Conkey, of this village, which wanted but one inch of measuring *five feet in circumference!*—Who can beat it?

River Improvement.—We learn that the work on the River below, will be so far completed, as to be out of the way of the water before winter sets in—cold weather not interfering with the finishing up of work, where it is not already completed. The Dams are nearly all finished. At the upper Chute, the Dam has been extended across the river, and a week ago was ready the whole distance to receive the spars, half of which are already on. A good force are at work upon the upper Lock and lower end of the crib work, and it will soon be ready to let in the water. The winter's work of finishing up the whole work below Menasha will be comparatively light, and we see no reason why it will not be in readiness for Spring Navigation.

Messrs. Wood & Noyes, two distinguished lawyers of New York, have given a legal opinion that the New Haven and New York R. R. Co. is not responsible for the over issues of stock by Schuyler.

Mr. B. B Spaulding of Brooklin, has presented us with some very fine specimens of plums, raised by him on his farm. One of the varieties was the largest we have ever seen, measuring 6 inches in circumference.—*Berlin Courant.*

CORK SOLES,

☞ **Principal Warehouse, 102 Wood-St., Cheapside, London, England. American Establishments, 38 Ann-St. & 102 Nassau-St., New-York, U. S.**

THE HYDROMAGEN is a valuable discovery for protecting the feet from damp or cold, and therefore a preventive of many Lung diseases, *without any doctoring whatever.* The Hydromagen is in the form of a sole, and worn inside the boot or shoe. Its *medicated* character is a powerful antidote to disease.

For Gentlemen it will be found agreeable, warm and healthy, to wear in the coldest or rainiest weather, as the foot cannot become wet if the Hydromagen is inserted,—Ladies may wear the lightest soled boots or shoes in the most inclement weather with impunity; while Consumption, so prevalent among the young of our country, may be thwarted by their general adoption. They entirely *supersede overshoes,* as the latter cause the feet to perspire in a very unhealthy manner; and, besides, are not dangerous for pedestrians to wear in icy weather, like india rubbers. While the latter cause the feet to appear extremely large, the Hydromagen, being a mere thin slice of cork prepared, peculiarly placed inside, does not increase the size of the boot, or cause the feet to appear untidy. To Children they are extremely valuable, as they may engage in exercise with comfort and healthy effects. Their expense is so slight as to scarce need mention; besides, those who patronize them will find their *yearly doctor's bills much diminished thereby.*

As the Hydromagen is becoming more known, its sale is increasing to an almost incredible extent. Last year in London, Manchester, Birmingham, Liverpool, Glasgow, Leeds, Dublin, Paris, Antwerp, Hamburgh, and Berlin, our sales reached 1,532,450 pairs of Cork Soles. This year the number will far surpass that.

Ask the Faculty their opinion of their value as a preventive for Coughs, Colds, Bronchitis, Asthma, and Consumption.

☞ **THE CHEST.** ☜

SIR ASTLEY COOPER, BART., M. D.,

THE EMINENT MEDICAL PRACTITIONER, HAS LEFT A VALUABLE LEGACY TO THE WORLD IN HIS

Great Preventive of Consumption, and Unfailing Cure for Pulmonary Diseases

WITHOUT THE USE OF MEDICINE!

Sir A. C., Bart., invented and advised the use of the

MEDICATED FUR CHEST PROTECTOR,

TO all persons of all ages and conditions, as a certain and a safe shield against those fearful diseases, Consumption, Bronchitis, Asthma, Coughs, Colds, and other affections of the Lungs, which arise from the exposed state of the chest, *according to fashion,* and the continual changes of our climate.

"The Protector" is simply a chemically prepared fur lined with silk and padded, which, suspended from the neck, covers the chest in so agreeable manner that, when once worn, it becomes *a necessity and a comfort.*

"The Protector," although but recently introduced into America, is making rapid progress through the United States, the Canadas, South America, and the West Indies, it has for a long time been a staple article in England and on the continent in Europe, while it has grown in many countries to the position of an article of dress.

To demonstrate these facts enquire of any English resident in your vicinity of his knowledge of the beneficial effects of wearing the Protector, WITHOUT RECOURSE TO DOCTORING of any kind. The cost of wearing these articles is a mere trifle, and one will last some years. No one who values the health of himself or his family will be without them. The Hospitals in this country are not only recommending them, but rapidly introducing them. Harcourt, Bradley & Co., of London and Manchester, England, were originally entrusted with the manufacture of the Protectors, by the lamented Dr. Cooper, and continue to manufacture them according to *his original* instructions, and the above recommend those who would wear "The Protectors," to see to their being genuine.

☞ *Remember this is a staple article and no patent medicine.*

HISTORY OF FOND DU LAC COUNTY, by MARTIN MITCHELL, published by J. A. SMITH. A neatly printed pamphlet of 100 pages, well written, bearing the marks of industry and faithful research, embracing a geographical and statistical account of each town, from its earliest settlement to the present time. If the citizens of that County would each buy a copy and send to their friends abroad, it would be the best investment ever made by them by 500 per cent.

EARNINGS OF THE M. & M. R. R.—The earnings of this road for the month up to Saturday night, 23d inst., were:

For freight	$31,509,58
" passengers	12,175,03
Total	$43,684,61

The receipts of the road for the month, we think, will hardly come up to $60,000, the Superintendent's estimate.

We verily believe that the earnings of the road, for Sept. would have been several thousands dollars greater, than they now will be, if the Company had not raised the freight on Wheat from Madison to Milwaukee. 18c. P bu. was entirely too much, and very few shipments of wheat were made from that point, while the freight was held at that rate.

STR. TRAVELLER.—This steamer, which arrived here on Sunday from Newport, Mich., where she underwent thorough repairs, takes her place again in the line between here and Chicago. The Cleveland and Pacific will form a night line, so we shall henceforth have an evening boat both ways. The Arctic hauls off the course for a few days for repairs.

HAMLET was well played last evening, the principal part being sustained by Mrs. Conner. To night, "Richelieu," Bulwer's great play, is to be performed. It will be well worth seeing.

See notice of public sale of lots by Chas. H. Williams. Some changes have been made in the programme, which those interested in real estate will please notice.

The locomotive attached to the morning passenger train was thrown off the track at Palmyra, yesterday, in consequence of a bank of sand having been washed upon the track the night previous, by the heavy rain. The cars were detained some two hours.

WEATHER.—A dense fog hung over the city through the night and this morning, until the sun rose, when it quickly vanished, and the weather is now most delightful, though rather too warm for comfort. There was a sort of pleasant haze this forenoon, fringing the horizon where it meets the earth, which reminded one that Indian summer would probably next pay its annual visit.

There was a severe frost in Boston the night of the 21st inst.

SEE notice of the annual election of officers of the Young Men's Association. All who feel an interest in the prosperity of the Association should be present, and see that the right kind of men are chosen for officers.

EIGHTY ONE died of cholera in Pittsburg and vicinity, last Friday, and 87 the day previous. The papers of that city publish daily reports of the names and residences of the deceased.

THE Western Railroads are drawing off a large part of the trade formerly concentrated at New Orleans.

MARRIED.—In West Haven, on Monday morning, the 18th inst., by Rev. Mr. Love, D. W. BARTLETT and JULIA M. PAINTER, daughter of Alexis Painter.

R. R. MEETING.—A large meeting of the stockholders in the La Crosse R. R. and others interested, was held at Fox Lake, Dodge Co., on Thursday last. Dr. Judd and Mr. Clinton were present.

CRICKET.—The Milwaukee Cricket Club spent yesterday at Chicago, practising with the Chicago Club.

EXPLOSION.—The boiler of the steamer Troy exploded on Sunday morning last, when within 3 or 4 miles of Chicago, killing one man and wounding severely several others.

THE Universalist Convention, at Philadelphia, last week, adopted strong resolutions against slavery. Its next annual meeting is at Middletown, Conn.

Thos. W. Mulford is the Democratic candidate for Congress in the 1st District of New Jersey.

NEW POST OFFICE.—A new Post Office has been established at Dayton, Green Co., and James Harvey is appointed Postmaster.

The steamer Arctic has laid up at Chicago for a few days to undergo repairs.

ROBBERY.—Mrs. Henry Masterman from Canada, had $245 taken from under the pillow of her bed, at the Mansion House, at Chicago, one night last week.

THE reported illness of Gov. Matteson of Ill., turns out to be a mistake.

THE Very Rev. Dr. Cahill, the celebrated Irish Roman Catholic priest, is expected to arrive at New York in the next Collins steamer.

THE execution of Orban, convicted of the murder of Besseau, took place at Belleville, Ill., on the 22d inst.

Report on the County Poor.

THE Superintendents wisely take into their hands all personal property of persons in County charge, make inventory of it, and return balance on recovery, after paying expenses for sickness, &c., to said persons or their heirs in case of death. But two deaths at Poor House in the last three months. The accommodations are insufficient at the Pest House.—The manner of warming Poor Houses, by which maniacs have access to the fire, is recommended to be examined and amended.

COMMITTED.—Deputy Marshal Leinhart arrested and committed to jail last evening John Prehn, for an assault and battery on his wife. He will be examined before the Police Court this afternoon.

THE Grand Jury are still in session, and have not as yet presented any bills of indictment.

WE have not seen the river so free from boats in a long time, as it was this morning.—There were scarcely half a dozen vessels to be seen, in its whole length.

FROM TEXAS.—Later accounts from Texas go to show that the no liquor license law has been carried in almost every county in that State, by immense majorities. Texas is doubtless destined to be the first Maine Law State in the South. Public morals are rapidly improving. The demand for brandy gives way to a demand for books.

It is predicted that business in that State will be more brisk the approaching fall and winter, than ever before. It is considered certain that the Pacific railroad will be built through the State. Local railroads are in process of construction. River navigation is being improved. Texas has now fifty-four newspapers. The present population is estimated to be five hundred thousand, and increases one hundred and fifty thousand annually. There are six hundred union Sunday schools.

NORTHERN AND SOUTHERN BENEVOLENCE.—Of the aggregate receipts of the American Board of Missions, $305,055, for the year ending July, 1853, only $18,900 came from the slave States; and for the year ending July, 1854, the discrepancy is still larger, as of the aggregate sum of $302,279 received, only $8,680 came from the South.

THE Boston Commonwealth has been sold to Messrs. Williams, Morse & Co., and is henceforth to be published as an evening paper, under the name of Evening Telegraph. The publishers of the Commonwealth say that since its enlargement it has not paid expenses. It has been a very able paper, and has done much for the cause of Freedom. The Telegraph is to be devoted to Temperance, Human Freedom and Protestantism.

OHIO LIQUOR LAW.—The District Court now in session at Athens, Athens county, Ohio, Judges Whitman, Nash, and Peck, on the bench, have fully sustained the constitutionality of the Liquor Law, passed by the late Legislature, overruling the decision of Chief Justice Corwin, of the Supreme Court.

DEATH OF A CATHOLIC BISHOP.—Francis Xavier Gartland died at Savannah, Ga., Sept. 20th, of cholera. He was the first Catholic Bishop of Savannah, and was formerly Pastor of St. John's Church, Philadelphia. He was born in Dublin in 1808. His remains will be taken to Philadelphia for interment during the ensuing winter.

MURDER AT MANITOWOC.—On the evening of the 22d inst., at Manitowoc, a brewer named Rosstencher, stabbed a bar tender in the employ of Mr. Langenfeld, killing him instantly. The murderer surrendered himself to the Sheriff.

DURING the storm at Squam village, N. J., on the 10th inst., the sea rose at a rapid rate, and inundated the meadows. About 200 cattle were lost, and 35 more managed to swim to the main land, a distance of 8 miles.

BALTIMORE, Sept. 22.—By mail we have New Orleans papers of Friday and Saturday.—John Kane, one of the men supposed to have been murdered, was found with four gunshot wounds on various parts of his body; he may recover.

The riot was again renewed Friday night.—An armed mob paraded the streets; they demolished a coffee house kept by one Michael Foley, and three men were badly injured. A Mrs. Adams was also wounded by a shot fired at her husband. There was great excitement.

COLUMBIA, S. C., Sept. 22.—The yellow fever at Savannah is as bad as ever; the whole number of deaths yesterday was 28. There is only about 1600 of the white population now remaining.

There is a perfect stampede at Augusta, Ga. The citizens en masse, the stores and hotels are closed, and the neighboring villages overrun with the citizens of Augusta. All the operators in the telegraph at that point have left. The fever is raging badly at Charleston; there were 27 deaths there last Tuesday.

WASHINGTON, Sept. 21.—There has been a long session of the Cabinet to-day, all the members being in attendance. Cuba is believed to have been on the tapis. It is also rumored that the Governorship of Oregon and other appointments were discussed.

BOSTON, Sept. 22.—At Sommerset, last night, a new ship of about 2,000 tons, on the stocks in the yard of James M. Hood, was destroyed by fire, together with the dwelling of Mr. Hood—Loss estimated at $60,000.

The celebrated German philosopher, Schelling, died on the 20th of August, in Switzerland. He was born in the Kingdom of Wurtemberg in the year 1775, and already at an early age he published works which soon made his name celebrated throughout Europe as the founder of that German philosopher which bears his name.

The Slave-Democrats have elected two State Senators in Vermont, one in Franklin county, and one Grand Isle. The former was chosen by the aid or three or four "Nebraska Whigs," who preferred him to Lawrence Brainard Free Soiler.

Judge Pollock, the Whig candidate for Governor in Pennsylvania, lately invited a party of politicians into a back room, to give them a treat. Arriving at the side board, they found nothing but cake and water.

SKILLFUL THIEVES IN PARIS.—A Paris correspondent of an American Journal says:—"Probably at no other city is theft carried on with so much cunning and adroitness as here. This mornings' paper notices the last novelty in this line. Two men with false keys, entered a house during the absence of the proprietor, and proceeded to assort the furnituse and other articles, and placing together in one heap articles as suited their convenience. Then, while one kept watch, the other sought a dealer in second hand furniture, and bringing him to the house, desired an offer. The bargain, of course, was soon struck, the money paid, and the thieves left for parts unknown. Imagine the purchaser's consternation at finding his right to remove the articles questioned by the proprietor, who returned during the removal.

Determination of Blood to the Head.—*Astonishing Cure by Holloway's Pills.*—James Cooper, of Fourth-street, New York, was a martyr for six years to dizziness and determination of blood to the head. He was so bad at times, that in crossing a room, it was with the utmost difficulty that he preserved himself from falling. The faculty and his friends feared that it would occasion sudden death; the medical profession informed him that there was but little hope for him, as it was tho't that nothing would mitigate the disorder, but in opposition to this advice, he tried Holloway's Pills, which so completely changed the state of the blood, that he was cured in three months. Such cases do not require comment,—facts speak for themselves!! sep25d1w

A CURE FOR ALL!

HOLLOWAY'S OINTMENT!

CITIZENS OF THE UNION—

You have done me the honor as with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already it has obtained more celebrity than any other Medicine in so short a period. THOMAS HOLLOWAY.

38, corner Ann and Nassau streets, New York.

ASTONISHING CURE OF SORE LEGS, AFTER NINE YEARS STANDING.

Copy of a Letter from Mr. W. J. Langley, of Hopeville, Yadkin Co., North Carolina, U. S., dated Nov. 1, 1853.

☞ READ HIS OWN WORDS ☜

To Professor HOLLOWAY—

SIR: It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs, that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned in despair all hope of being cured; but a friend brought me a couple large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health, to the agreeable surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEY.

AN EXTRAORDINARY CURE OF A BAD BREAST WHEN NEARLY AT THE POINT OF DEATH.

Copy of a Letter from Mr. R. Durant, dated New Orleans Nov. 9, 1853.

To Prof. HOLLOWAY, 38, cor. Ann and Nassau Sts., N. Y.

Dear Sir: It is with heartfelt gratitude I have to inform you, that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature). I was told that nothing could save her; she was then induced to use your Ointment and Pills, when, in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your medicines from Messrs. Wright & Co., of Chartres street, New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, at that time not knowing your address at New York. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment, in most of the following cases:

Bad Legs,	Fistulas,	Scalds,
Bad Breasts,	Gout,	Sore Nipples,
Burns,	Glandular Swellings,	Sore Throat,
Bunions,	Lumbago,	Skin diseases,
Chilblains,	Piles,	Scurvy,
Chapped hands,	Rheumatism,	Sore heads,
Contracted and Stiff Joints,	Salt Rheum,	Ulcers, Wounds.

, Sold at the establishment of Prof. HOLLOWAY, at **No. 80 Maiden Lane**, New York City; also by all respectable Druggists and Dealers in Medicines throughout the United States, in Pots, at 37½ cents, 87 cents and $1.50 cents each. To be had wholesale of the principal Drug Houses in the Union.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.
